

Olive's Cafe

Olive's café is named after Olive Tate who co-founded the nursery with her husband Allan. Olive loved plants and her dogs that she walked in the woods every day and where she'd also be looking out for her beloved kingfisher. Alan and Olive's son, Jonathan, went on to run the nursery. He expanded and developed the business: creating the conifer growing department and building the shop and café. Today Jonathan's daughters, Vicky and Helen, co-run the nursery.

Please visit www.limecross.co.uk for more information about the nursery.
